Description/Terms and Conditions
Two out of three startups fail – make sure yours isn't one of them.

If a business is less than 12 months old, MCC Accountants is offering afree Business Fundamentals Coaching Sessionto support new business owners in understanding the financial side of running a business.
Many startups don't fail because of the product, marketing, or location – they fail because the owners lack a clear understanding of their numbers. This session is designed to provide the knowledge and confidence needed to build on solid financial foundations.
During the session, MCC Accountants will:
Explain the essential financial fundamentals every startup should knowBreak down the business's accounts in a simple, easy-to-understand wayHelp interpret what the numbers really meanEquip owners to avoid common financial pitfalls that cost time and money
