Description/Terms and Conditions

TASTE OF THE SEASON SPA BREAK

Escape the day to day and immerse yourself in tranquility with a Taste of the Season Spa Break. Arrive before lunch and leave your bags at reception before heading on a journey of relaxation with your Taste of the Season Spa Day. Indulge your body with a Temple Spa Soul Soother treatment, where our expert therapists will focus on relieving your tired and overworked muscles. Beginning with the lower legs with an exfoliation and a cooling and refreshing massage to leave them instantly lighter. Before moving to the shoulders, neck and finally scalp to target any knots of stress to leave you truly soothed and refreshed.

Also included in your spa break is a delicious two course lunch or afternoon tea* to keep your body nourished before you can sit back and relax by the pool, or make the most of our spa facilities. Your comfortable bedroom now awaits for you to get ready for dinner in our award winning restaurant. Prepare to indulge your senses further as our talented chefs create a delicious menu using the finest local ingredients.

After a restful night's sleep, we'll be ready to welcome you downstairs in the morning to enjoy an a la carte breakfast before you leave feeling revitalised. As a little thank you, you'll also receive a Libby Lavender Seasonal fragrance candle so you can take that feeling home with you.

Available Sunday to Thursday.
