

Wealden District Council: Walking Festival Card

PUT YOUR BEST FOOT FORWARD

"Wealden District Council is putting on its first Walking Festival 27 Sep – 5 Oct.

They wanted something quirky to promote it and Jane Kilby came up with a boot-shaped card, but needed by end of May

The lads really stuck the boot in to get 30k postcards printed and die-cut in in time for the event. Michael Day then tackled the traffic on the A259 and delivered the goods in time before it kicked off.

'It's not over yet' ...we might need some more!!

Thank you"

Jane Kilby - Tourism Officer, Community & Regeneration - Wealden District Council

SCANDINAVIA COMES TO CROWHURST

Crowhurst Park: Log Holiday Homes

"For the launch of our exclusive development of Scandinavian Log Holiday Homes at Crowhurst Park, we had to ensure that the printed promotional material matched the quality we were looking for. We had been planning the development for several years and wanted to work with a printing company who could advise us on the right paper and finishing methods that would convey the right image. Hasting Printing Company worked very pro-actively to ensure we received an excellent quality product."

Alan Foster – AST Design
