# What our members say

What a breath of fresh air Abby is! Always so enthusiastic about my business, she takes the time to understand exactly what I do and how she and thebestof tools and audience can provide added value to my own business marketing activity. I cannot recommend Abby highly enough. Any local business should take the time to look at what thebestof has to offer, and consumers can rely on the quality of the information provided.

**Christine Ferris - Hybrid Sales & Lettings**

thebestof Watford has been great for us as a business. Abby keeps us connected with the rest of the community and what's going on. If we are doing a special offer Abby will be straight onto us to get all information so that she can do a blog, our presence on social media has significantly improved. And what's great is they aren't just online, it gives members buying power, so we benefit from discounts on things like leaflet distribution, which we do regularly with them.

**Pamela Parmar - UD Hair & Beauty Salon**

My business has been a member of thebestof Watford for 7 years. Over the last 18 months thanks to working with several large accounts, my business is growing and I have taken on new sales and production staff, and we want to increase our marketing activity. As Abby already knows us and our business, customers and has a great local knowledge and network, she could step into the role of our Marketing Manager, as part of her 'Done for You' package for members who need additional support. She has also identified opportunities for sales and marketing, and writing us a marketing plan for the coming year.

### **Charan Anand - Fastsigns Watford**

Thebestof has worked really well for us as a marketing aid. We look to both the long term and the short term from a marketing perspective and thebest of provides us with an all in one solution. An initial solution was offered by the social media coverage, something that is not our specialty, while the facility of collecting reviews and having them on our website offers our customers reliable testimonials. We have found that this is a really positive and interactive way of communicating to both new and existing customers. We pride ourselves on excellent customer service and feedback is really important to us, and through the reviews we collected we won an award in the National Business of the Year Awards.

We feel we are very lucky to have Abby representing our business locally, she's very hands on and always on the end of the phone if we need advice.
