FINAL SUMMER 2017

We are sad to announce that Saturday, 23rd September will see the closure of the Farm Shop and Café, bringing to an end over 30 years of farm retailing at Packington Moor. The HS2 Rail Project now has Royal assent and construction is due to start here early in 2019. However, whilst we remain open throughout the Summer we look forward to welcoming all our customers old and new right up until the very last day!

Ultimately we have had to make the very difficult decision as a family to relocate to a new farm in Gloucestershire, having been at Packington Moor almost 100 years.

Please support us through this period of trading and thank you for your continued support and custom particularly over the last 7 years of business here during a very challenging time.
