Calderfields - Christmas with a difference

On behalf of everyone associated with Calderfields we wish you all a Merry Christmas. We hope to see you here for the festive season.

We have, yet again, another fun packed season for everyone to come and celebrate with us. There is something for everyone with our entertainment line up and we have also introduced events for the children this year.

The majority of events have a "3 course meal" included in the price. The food promises to be as delicious as ever and you can see what's on the menu across the page.
