RED VEIN REMOVAL

starting from £50 per session

Short wave diathermy can quickly and effectively improve - and often remove - common skin problems and blemishes such as warts, skin tags and thread veins. During this treatment, a fine, hair-like needle is used to conduct a small energy current into the broken capillary, causing them to dry up, collapse and disappear. Book in for a free consultation.

Multiple sessions may be required.

Taking skin to a whole new level

dermaplaning

Dermaplaning treats fine lines, uneven skin tone, open pores, pigmentation, dry skin and that unwanted facial hair. Using a surgical scalpel, dead skin and fine vellus hair (peach fuzz) are gently scraped away from the skin's surface giving clients immediate brighter, smoother skin. It is a form of deep exfoliation that improves cell turnover and healing, as well as allowing better penetration of skin care products, leaving the skin more radiant and healthier looking.

Dermaplaning	£55 or Course of 3 £150
Dermaplaning with LED light therapy	£65 or Course of 3 £175
Dermaplaning with chemical peel	£100 or Course of 3 £270

chemical peels

[comfort zone] therapies

Comfort Zone therapies merge ancient rituals, aromatic oils and massage techniques with high-tech scientific technology and ingredients to deliver unique face and body treatments that offer visible results wrapped in nurturing relaxation.

SUBLIME SKIN

50 minutes £46

Using a blend of Aromatic essential oils, active plant botanicals and high-tech ingredients this facial offers visible results wrapped in a nurturing and relaxing experience. Each facial is tailored to your individual needs, your therapist will choose from a range of skin care to create your unique treatment. Including a Tranquillity welcome ritual, Scalp, Face & Shoulder Massage.

HIMALAYAN BODY THERAPY

70 minutes £56

An extraordinary ancient ritual for the body that starts with a deeply relaxing massage to the body using warm Himalayan salt stones alleviating tension, stress and anxiety. The treatment then proceeds with an exhilarating pink Himalayan salt scrub and nourishing aromatic oils to detoxify, ease aches and pains, stimulate metabolism and restore vitality and balance.

TRANQUILLITY MESSAGE

This innovative body therapy leads to an extreme state of relaxation, working the muscular, nerve and emotional levels. Stimulating 3 sensorial pathways; smell - using a special blend of aromatic oils, touch - using soft brushes and rhythmic massage and finally sound - using specific music to induce deep rest, balance and regenerate the mind. At Tonic Massage Hub we offer two types of Tranquillity massage:

PRO SLEEP MESSAGE

50 minutes £46

Designed specifically to assist in relaxation and aid sleep patterns this gentle massage starts with soft brushes dipped into warm aromatic oils. The brushes are used to apply Tranquillity oil to the body in a slow soothing motion. A specific rhythmical and gentle massage is performed in sync with music designed to lower the heart rate and relax the mind. This therapy is best performed in the late afternoon or evening.

SUBLIME MESSAGE

50 minutes £46

A perfect combination of relaxation and massage, this therapeutic massage starts with soft brushes dipped into warm aromatic oils. The brushes are used to apply Tranquillity oil to the body in a slow soothing motion relaxing the mind and body. A massage is then performed using therapeutic techniques to relieve muscular stress and tension. Pressure can be adapted to your preference - light, medium or firm.

CLINICAL HYPNOTHERAPY

Clinical Hypnotherapy is an altered state of consciousness. It is in this altered or trance state that the hypnotherapist "speaks" to your unconscious mind and makes the positive suggestions to change your behaviour for the better. The patient is fully in control and a hypnotherapist cannot make anyone do something that they are not willing to do. Over several sessions, the hypnotherapist will work with the unconscious mind to assist the patient with their phobias, weight-loss, cessation of smoking, problems sleeping, confidence, panic attacks/ anxiety and much more.
