

# Walsall's Christmas Eve Jingle

Dear neighbours,

We would love to invite you to our Neighbourhood Christmas Eve Jingle!

At 6pm on Christmas Eve, we would love our neighbours to join us by coming outside your homes to ring a bell and even join in a few Carols (optional!)

We know this year has been emotional and challenging, but we have seen the generosity of our local residents supporting each other, so let us all take this time to celebrate.

Santa needs all our Christmas Spirit to help fly his sleigh, so this will be a great memory for our children and the community.
