

# BURY HOSPICE

## Corporate Team Challenge 2022

Will your business go the extra mile to support Bury Hospice? It costs over £3.5 million per year to run Bury Hospice, and we need to raise £3 million of that ourselves through our fundraising, retail shops and lottery.

We at Bury Hospice are looking for businesses to show their creative and physical skills whilst helping to fund specialist end of life care for local patients, their families and their carers when they need it most.

The Hospice is fortunate to have such amazing support from local businesses and the community across the borough, and it is touching to see how much effort people are prepared to put in to raise vital funds.

### The Challenge

Bury Hospice on Rochdale Old Road is launching a Corporate Team Challenge where we are asking local businesses to compete against each other and use their fundraising and business skills to turn £30 into as big a donation as possible.

The Corporate Team Challenge will start this spring and will run until the end of October 2022. The idea is to turn the initial £30 seed fund, given to you by Bury Hospice, into as much money possible for the Hospice.

It is a great opportunity for businesses to hold their own fundraising event or initiative. The list of fundraising challenges is endless. You can have a dress down day, Quiz Night, Race Night, Curry Night, Sky Dive or Sports Challenge – or anything else that you can think of.

You could also choose to enter a team into one of the Hospice-run events to raise as much sponsorship as possible. »
