VIP

MAKE A SPECIAL OCCASION
EXTRA SPECIAL

EXCLUSIVE LOUNGE COMPLIMENTARY DINING LUXURY SEATS

Looking for a more premium feel for your next corporate event? Our VIP screens are specially designed to fit 40 luxurious 'lazy boy' style reclining seats, each with an individual table for notepads and refreshments. The generously sized leather seats, fully recline and offer ultimate comfort. A delicious menu of light food will be prepared by a local chef, and your delegates will be able to enjoy unlimited soft drinks as part of the hire price. A range of alcoholic drinks will also be available at your private bar alongside favourite cinema snacks which can be taken into the auditorium. When we say luxurious, we mean it.

SUPER SCREEN

TAKE IT TO THE EDGE

DOLBY ATMOS

DUAL 4K PROJECTORS

DESIGNER ITALIAN SEATS

Presenting on a screen 30 feet high is sure to make your presentation one to remember. Experience state-of-the-art projection and sound with Superscreen at Cineworld and take your company meeting to the next level. Superscreen's wall-to-wall screen, combined with Superscreen's dual projectors, gives a brighter experience and breathtaking multidimensional sound powered by 32 Dolby Atmos amplifiers.

IMAX

LIVE IT

Those looking to host events in Sheffield and London's Leicester Square should look no further than IMAX laser. The new state-of-the-art IMAX system will provide the sharpest, brightest and most vivid digital images ever, combined with a whole new level of immersive audio. Designed specifically for IMAX's largest screens, IMAX with Laser combines 4K laser projection with an upgraded 12 channel immersive sound system to deliver an unparalleled presentation experience.
