Christmas Day at The Offord Shoe.

This year Christmas Day falls on a Sunday. The 'Shoe is rather famous for its Sunday Fresh Carvery Lunches so our very creative Chefs got together and proposed a Classic Christmas Carvery, but with the emphasis on Christmas, fresh and creative. The carvery option means a resplendent Christmas lunch costs substantially less than previous years, yet still with the same quality and we can still serve to your table if you wish.

Look forward to your starter being served to your table, your main course created by the Chef right there in front of you, and your dessert and coffee served to you.

Christmas time creates a special demand so we need to have some terms and conditions. Here they are;

A deposit of £30 per adult is required to book and reserve your table. Children's deposit will be £15. Your table is not reserved until the deposit is paid. This deposit is non-refundable, although if you have to cancel, and we re-sell your places, we will refund. No re-sale. No refund. The balance is payable no later than Christmas Day.

Children occupying high chairs, no charge, children occupying a seat means the Childs price is payable.
