

# PLUMBING INSTALLATIONS & REPAIRS

**Corvée**  
Property Services Ltd

# BATHROOM INSTALLATIONS

## BATHROOM INSTALLATIONS

Whether you simply need taps repairing or replacing through to a complete bathroom refurbishment, Corvee can help. Our fully trained, gas safe registered plumbers provide a complete service from replacing toilets and sinks to installing showers.

## DESIGN

If you long for a new bathroom, we can help you design and plan the installation to maximise the space available. We can fit the sanitary ware you supply or you can choose from a wide range of products available from us direct.

## SERVICES

- Complete bathroom design, supply (you can supply your own) and installation
- Tap & Sink replacement
- Bath Installation
- Shower installation (including electrics\*)
- Wet Room installation
- Moving/replacing sanitary ware
- Pipework only, if required.

\* All electrical and plumbing work is carried out in accordance with the appropriate Building Regulations and IEE Wiring Regulations, BS7671 and Part P.

Remember: no job is too big or too small so give Corvee a call today to discuss your requirements with one of our installation experts.

# KITCHEN UPGRADES/ MODIFICATIONS

## KITCHEN INSTALLATIONS

New Kitchens and Utility Rooms:

Clean and tidy installation of pipework is often overlooked when installing a new kitchen. We like to work with your kitchen installer to ensure the pipework is both discreet and tidy. As well as the water appliances such as washing machines, sinks and dishwashers etc. our qualified gas fitters can also carry out the pipework and installation of gas cookers.

## WORKS COVERED

- Plumbing and electrics\* for white goods
- Installation of sinks and taps
- We are happy to work alongside other tradespeople
- Plumbing repairs
- All necessary pipework and electrical safety bonding
- Gas cooker and heating installation
- Any other necessary plumbing work

\* All electrical and plumbing work is carried out in accordance with the appropriate Building Regulations and IEE Wiring Regulations, BS7671 and Part P\*

# OTHER PLUMBING INSTALLATIONS

## OTHER PLUMBING INSTALLATIONS

Here are some examples of other plumbing installations we can do:

- Outside taps
- Hot tubs
- En-suites
- Cloakrooms
- Whirlpool baths
- Steam rooms
- Vending machines
- Water coolers/Drinking fountains
- Water filters
- Heating systems

## GUARANTEES

All plumbing work is guaranteed!

All of our work is guaranteed to give you the peace of mind you deserve, however big or small the job!

# PLUMBING REPAIRS

## IF WATER FLOWS THROUGH IT, WE CAN FIX IT!

Burst pipes, leaky taps, shower malfunction or whatever, we have probably repaired every conceivable plumbing problem!

Plumbing repair isn't just about problems though. You may want something installed or moved. Corvee can help! Whatever your plumbing repair, installation or alteration needs give us a call. We will be happy to help.

## NO CALL OUT CHARGE!

No call out charge- just pay for time. We charge a fair price for any spare parts we fit. We always try to get the job done in one visit if we can. We have all seen or heard about rogue traders who "make up" problems so that they can charge you more.

Our engineers are all on a fixed salary so they have no reason to cheat our customers. They are only rewarded on happy customers and jobs completed efficiently!
