

NEW LANDLORD LEGISLATION

CARBON MONOXIDE & SMOKE ALARMS

WHATS CHANGING?

Landlords will be required by law to install working smoke and carbon monoxide alarms in their properties, under measures announced by Housing Brandon Lewis in March 2015. The measure is expected to take effect from October 2015.

WE'VE GOT IT COVERED!

Because of the new Legislation, Corvée have a new special offer for the installation of both a smoke alarm and carbon monoxide alarm for just £25.00 when done with the annual Gas Safety Checks. Batteries are included with each and the carbon monoxide alarm comes with an impressive 7 year life span.

7 YEAR LIFE SPAN!

With all Carbon Monoxide alarms
