Terms and Conditions apply – further details of cover are available from the practice.

At **Conanvet** we believe in being there for you and your pet, 24 hours a day, 365 days a year. You will NOT be put through to a vet at an external company that is not familiar with you or your pet. Welcome

Whether you are a new or an existing client, we would like to thank you for choosing our practice, one of the oldest practices in Scotland, dating back to the 1930's. Our aim is to provide the best possible health care for your pets in a pleasant, friendly environment. We are committed to keeping abreast of the latest developments in modern veterinary practice – providing high-quality treatment at sensible prices. A pet health plan is not pet insurance. It covers the regular treatments your pet needs throughout life, such as vaccinations, flea and worm treatments and regular health checks. To enable pet owners to spread the cost of routine treatment, we have designed our own practice membership scheme – the **Conanvet Healthcare Plan**.

The best care for your best friend

The Conanvet Healthcare Plan offers:

- Regular checks and maintenance of good general health for your pet
- Convenient monthly payments for routine services
- Top quality licensed medication
- Discounts on additional services
- Optional Accidental Injury Cover
- Extended Payment Scheme

Prevention is better than cure!

Our Healthcare Plan provides pet owners with the support they need to help their pets stay fit and healthy. Regular visits mean that we have the opportunity to administer necessary vaccinations and dispense accurate and up-to-date worming and flea treatments. In addition, an overall clinical examination provides pet owners with peace of mind as we carefully monitor the general health of your pet and offer advice, support and treatment planning. This can reduce or prevent problems arising in the future. Furthermore, the cost of maintaining the general health of your pets is distributed throughout the year by making monthly Direct Debit payments – it couldn't be simpler.

Whilst spreading the cost of routine treatments, all members then qualify for additional discounts on other items in the practice. Pets in the **Conanvet Healthcare Plan** can be covered for Accidental Injury up to £2,500 per incident up to a total of £5,000 in any 12-month period (an excess applies). This option is available for only a small additional charge per pet, per month.
