

## Prevention is better than cure!

Our practice membership scheme provides horse owners with the services they need to help their horses stay fit and healthy.

Regular visits mean that we have the opportunity to administer necessary vaccinations to clinically exam your horse from head to hooves.

This provides you with peace of mind as we carefully monitor your horses general health and offer advice, support and treatment planning. This can reduce or prevent problems arising in the future.

Furthermore, the cost of maintaining the general health of your horse is distributed throughout the year by making monthly Direct Debit payments – it couldn't be simpler.

Whilst spreading the cost of routine treatments, all members then qualify for additional discounts on other items in the practice

### AT-A-GLANCE

## CONANVET EQUINE HEALTHCARE PLAN

**Maintaining your horses health throughout the year**

## WELCOME

Whether you are a new or an existing client, we would like to thank you for choosing our practice. As one of the oldest practices in Scotland, dating back to the 1930's, our aim is to provide the best possible health care for your horse, in a pleasant and professional manner.

We are committed to keeping abreast of the latest developments in modern veterinary practice – providing high-quality treatment at sensible prices. To enable horse owners to spread the cost of routine treatment, we have designed our own practice membership scheme – the **Conanvet Equine Healthcare Plan**.

Our equine healthcare plan is not insurance, instead it provides regular health & dental checks, vaccinations and worm egg counts. Extra benefits include discounts on selected products or services that you may require for your horse.

Read on for more information, or speak to one of our team today to find out how you can save money, while providing for your horses ongoing health.

## HOW DO I REGISTER?

The Conanvet Equine Healthcare Plan is simple to join: please complete a simple registration form at reception – your banking details are required. A £5.00 registration fee will be collected with your first monthly direct debit. Our practice staff will be happy to answer any queries you may have. Or call us at the practice on 01349 861203 or email: [info@conanvet.co.uk](mailto:info@conanvet.co.uk) for more information.

Spread the cost of your horse's health care with easy monthly payments by
