## Who we are...

We are Brighton & Hove's newest digital hub for small and medium businesses, start-ups and freelancers.

It's a place to meet people, collaborate and be creative. The Dock Hub offers a vibrant working environment and affordable professional workspace in Brighton and Hove, offering excellent networking opportunities and infrastructure.

## What we offer...

**Serviced office space** - fully furnished offices, dedicated high speed fibre broadband line, VoIP phone services and 24hr access, flexible terms, on-site management and support.

**Co-working & desk spaces** - Flexible packages available, high speed internet & wifi, networking events.

**Virtual Office** - Post box, post & parcel service, secretarial service.

## Meeting Room

For smaller or more intimate groups, interactive white board, desks and seating, free wifi, meeting room iPad to order catering from the café within the Dock Hub, members discount for Hubbers.

## Conference room

For larger meetings up to 25-30 people with flexible seating and desks to allow groups to arrange the layout as they require, video conferencing systems, interactive white board, free wifi, conference room iPad to order catering from the café within the Dock Hub, members discount for Hubbers.
