Policys

At Samz Nailz we aim to give our clients a 5 star service at 4 star prices. In order for us to continue to deliver that service we need to inform you of our revised cancellation policy which comes into affect from 1st March 2019.

- Deposits - For any appointments valued at £30 or over a 50% non refundable deposit is required to secure your appointment.

- Arriving Late - If you are 15 minutes or more after your booked appointment time you will need to rebook and you will lose your deposit if paid.

- Nail Repairs - At booked appointment: up to 2 nails will be repaired included with the infill price, 3 or more nail repairs will be charged as a new set price. As an additional appointment: £7 charge per nail repair.

- Cancelled Appointments - We do require 48hrs minimum notice if you need to change or cancel your booked appointment. Failure to give us the 48hrs notice for any booked appointment your deposit will be lost. If no deposit has been paid due to the appointment being lesser value a 50% new deposit is required to rebook regardless of appointment value.

This will ensure that we continue to deliver excellent service at great value.

Thank you for your understanding.
