

Guernsey Sands is a local support group who can offer emotional support and practical help if your baby has died during late pregnancy, at birth or shortly afterwards.

We also work closely with the local hospital to help provide the best possible care for families when a baby dies.

Our friendly and relaxed **monthly community meet ups** are an opportunity for bereaved parents and relatives to meet with others who have been through a similar experience.

Please contact us by phone or email to let us know you would like to attend and we will provide you with the location.

Guernsey Sands is part of Sands UK-wide network of local groups. Guernsey Charity Reg No. 461
