

# Changes to your local Community Recycling Centres

We are making changes to the Community Recycling Centres (CRC's) in Telford and Wrekin.

From 16 April 2012 the following changes will take place:

- **Newport CRC will be closed**
- **The remaining CRC's based at Halesfield, Ketley and Granville will move from being open 7 days a week to 5 days a week.**

Please note that if your nearest centre is closed there is always at least one other site that you can use. **The table below shows the opening days for all three sites:**

## Permit Information

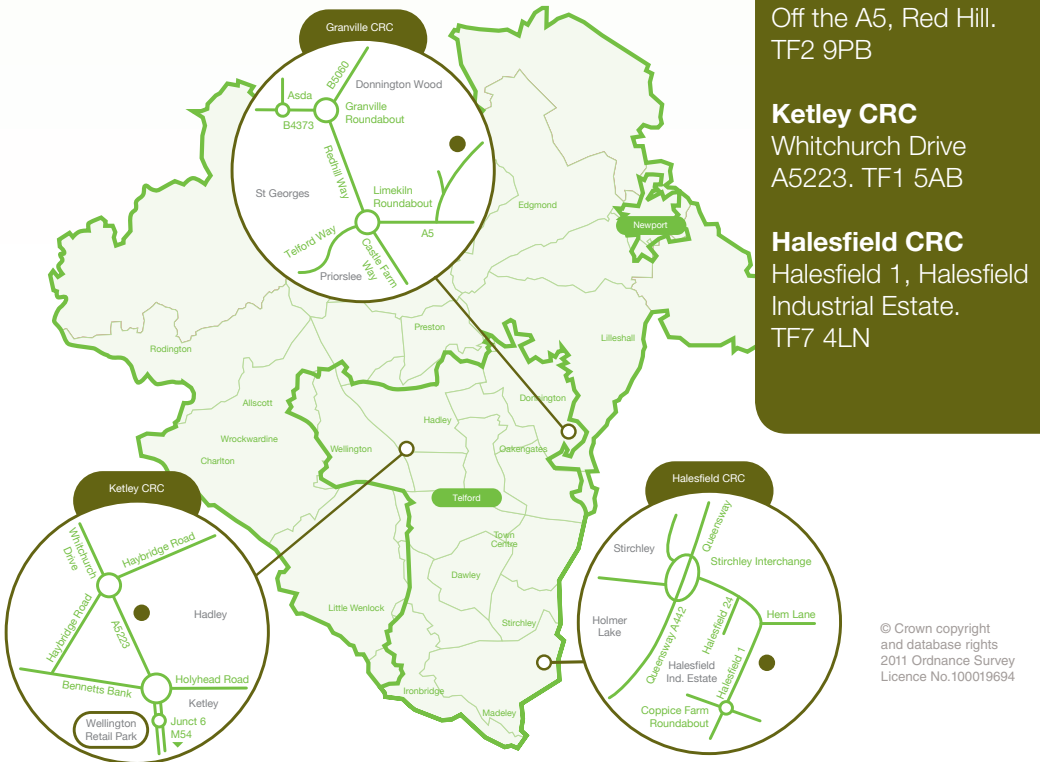

If you are taking your household waste into any of the CRC's using a trailer or a commercial type vehicle then you will require a permit. Permits are available free of charge for Telford and Wrekin residents. You can request a permit application form by contacting us on **01952 384384**. Alternatively you can download an application form from our website **[www.telford.gov.uk/recycling](http://www.telford.gov.uk/recycling)**

It is a criminal offence to deposit trade waste at a CRC and you can be prosecuted. Trade waste is not accepted at any of our recycling centres.

## Hazardous Waste

Asbestos, paint and chemicals can only be accepted at **Granville CRC**.
