

# *Garden Goblins and Flower Fairies*

## *A Children's Competition*

Are there fairies in the flowers at the foot of your garden? Is there a goblin or a gnome grinning through the grass? What do you think they look like?

They could be gracious or grotesque – lovely or laughable – magical or mischievous.

Create your favourite sprite to go on display at the Herald of Spring festival in Bourne Hall. It could be a painting or a drawing – anything that will fit onto an A4 sheet.

Entries should be handed in at Bourne Hall by 9 March, with your name, contact details and age on the back of the paper. The winner will receive a day's free entry to Hobbledown.
