

## About us....

Steve and Karen are a married couple who met through dancing!

Karen has a background in nursing and turned professional in dancing in 2002. She continues to nurse today. Steve has a background in conservation and restoration of old books and manuscripts and followed into the world of the dance professional 1 year later. This is somewhat of a miracle as two years previously he became unable to do most things as he was suffering from a severe hip problem. Three very successful hip replacements later, here we are.

They taught in Oxford for the renowned Dance Rhythms, where Karen became Head of Theatre Branch. They are thrilled to be in North Devon, where Karen was born and bred.

You will be made most welcome  
If you choose to dance with Project: Dance! Please adhere to good manners in general and ballroom etiquette which will be taught in class.

CHOREOGRAPHY**

**Take the fear out of  
that first dance!**

How does it work?

## RECORD OF LESSONS:

- You let us know your special song. If you haven't got one we can help you choose.
- We choreograph a routine that will look good and make you look wonderful.
- We need to know the style of dance you would prefer, but the music usually controls this.
- We need to know the size of the dance area available for the dance to happen in. Some styles need more room than others!
- The bride needs to talk to us about her dress as this can impact on the style too! If the groom is wearing something out of the ordinary, we need to know.
- The course is 6 sessions but you can book them as you like.
- Extra lessons can, of course, be arranged.

### What does it cost:

- The course of 6 sessions is £160. This gives you 6 hours, at your convenience with us.
- Extra lessons are available at a reduced cost.

### What kind of music can we choose?

- **Anything goes!**  
There are no limits to your choices at all. We have done all sorts from Bohemian Rhapsody to traditional Indian music, through pop, rock, big band, hip-hop, disco...there is simply no barrier.

Our pledge to you is that  
we will make it good  
fun, and reduce the  
stress on your big day!
