

CASUAL COACHING AND ASSISTANT COACHING OPPORTUNITIES

Urban Youth Action is a local charity that aims to inspire children and young people of all abilities through urban extreme sports. We offer ramp sports, particularly skateboarding, scootering and BMX, to help young people in their social, physical and spiritual development.

We are looking to build a pool of casual staff to help out when we have events and activities. You will need to be at ease with working with children and young people, patient and physically strong to lift our mobile ramps. Your attitude, enthusiasm and ability to work with children and young people are more important to us than a current high level personal ability in ramp sports.

We are looking for the following –

ASSISTANT TUTORS - £7.50 an hour. To lift and set up ramps and to support the Lead Skate Tutor to run activities and help children and young people to enjoy a safe and fun time.

LEAD SKATE TUTORS - £12.50 an hour. To lead a small team delivering ramp sports sessions with children and young people.

DRIVERS - To drive UYA vehicles to events and activities and help set up mobile ramps so must be physically strong– must have Cat B+ on driving licence in order to tow our trailer. £9.00 an hour or may be combined with one of the roles above.

To apply for the above roles please send a CV along with a supporting letter outlining how you meet the requirements of the person specification to jennie@urbanyouthaction.co.uk. Closing date 31st October 2015.

Due to the practical nature of this work we plan to invite shortlisted candidates to attend one of our events and work alongside the team rather than have a formal interview process. This will give you a chance to see the role in action and will enable us to see you demonstrate the skills required. We can train you in how to teach someone to skateboard if you have the right skills to engage young people.

An Enhanced DBS check will be required for these posts.
