Come to Eurotiles & Bathrooms to get everything you need for a great looking bathroom: we've got it all from stylish sanitary ware and furniture, taps, showers and accessories right through to the tiles to give the project the perfect finishing touch. We also have ranges of tiles for kitchens, living room and conservatory floors and even outdoors. Most of our vast collection is in stock and ready to take away or have delivered locally free of charge.

With 6 outlets around the South East and a wealth of experience and technical knowledge far beyond that of a DIY superstore, we're ready to help you create your dream room.

The following pages will give you a taste of the tile ranges that we have to offer, the full collection and our bathroom product ranges can be seen in store or online.
