## Our story

Key Control Services have been operating since 1998 and have vast experience in the security industry. The core management and response team have a combined experience of over 40 years.

## Our Success Stories

A large corporate solicitors in Manchester City Centre had recently opened their brand new office complex. Due to their long working hours and late closures it was impractical to have their own staff lock and unlock the building. After a meeting with the management team we offered them a solution of services.

- A **full** lock and unlock service
- 24 hour alarm response cover
- Staff escort services
- Emergency security cover with high profile legal cases

## More about our story

As well as our vast experience, the company was founded and setup by an GM ex-police sergeant of 25 years, this ensuring our customers and clients of true honesty and transparency.
