CAVE PAINTING

Wednesday 10 August
11am-12pm & 2pm-3pm

In the deep time of prehistory early men crawled down into the darkest caves and used light from primitive candles to paint pictures of themselves and the animals they hunted.

They left behind a vivid record of their way of life and some clues of what they believed in. Discover how and why these paintings were created.

Then by flickering light try to create your own cave painting in our very own 'caves'.

Cost £5 per child. Two identical sessions will be run, please book to reserve your place; maximum 20 children.
