IDTA Nationwide Medallist of the Year 2017

On 1st & 2nd April, pupils from Topaz took part in the annual Medallist of the Year competition at the Winter Gardens, Blackpool, having previously qualified to represent the North West at this National event. All of our dancers were an absolute credit to the school and the results reflected this - 13 finalists and 2 Nationwide winners! Thanks must go to the dancers, their hardworking partners and teachers, and all those who gave such amazing support throughout the weekend. Looking forward to next year already!

PRICES FOR CLASSES AND PRIVATE LESSONS FROM 1ST MAY 2017

Due to increasing costs, we have reluctantly decided to increase the prices for some classes & private lessons.

Prices for a single class will remain at £5 for children and £7 for adults, however for adults staying for a double class on Monday, Wednesday or Sunday, the cost will now be £9 per person.

For those adults attending the Thursday Latin Rhythms class and staying for practice, the cost will remain at £10 for the evening.

The cost of private lessons will rise to £28 for children (under 16) and £32 for adults (over 16).
