Enriching the lives of people with disabilities

New Art Group in Worcester Park

Conquest Art is a unique Charity, inspiring people with disabilities and long term health issues to discover their creative energy and build self-confidence through art.

Our Worcester Park Group meets every Tuesday from 1:30 to 3:30pm St Mary's Cuddington, The Avenue, Worcester Park, Surrey, KT4 7HL.

Why not come along, your first session would be free and thereafter there would be a nominal charge of £1 per week, all art materials and refreshments are provided and you would receive a very warm welcome.

Absolutely no art experience is necessary, just come along and join the fun.
