Pathway from Leader to Coach

School Years
4 - 6

PlayMaker Award

The PlayMaker Award is a great introduction into leadership for pupils or students aged nine and over. The award is designed for use in variety of education settings as a one day course and focuses on developing learners leadership skills.

Recommended Age: 9 and over
Course length : 6 hours (approximately)
Assessment: There is no formal assessment.

School Years
5 & 6

Young Leader Award

The Young Leader Award is a great introduction into leadership, giving pupils and students knowledge of how to organise and lead small games and activities that can be used as part of uniformed organisation, community club or sports club sessions.

The Young Leader Award aims to help learners develop leadership skills such as organisation, communication and teamwork, as well as helping to build confidence and self-esteem as they take on responsibility of leading their peers and younger children.

Recommended Age: 11 and over
Course length: 6-10 hours (approximately)
Assessment: There is no formal assessment

School Year 8

I Can Lead

A fun practical course that can be completed in class, on the sports field or as an after school activity. I Can Lead has been designed as an introduction to leadership that will give learners the knowledge and skills to assist in leading basic sports/activity sessions under direct supervision.

Recommended Age: 13 and over
Course length: 12 - 15 hours (approximately)
Assessment: There is no formal assessment.

1st4sport Qualifications

16 Years Up

Level 2 Certificate in Supporting Learning in Physical Education and School Sport (QCF)

Developed in partnership with the Association for Physical Education (afPE), the Level 2 Certificate in Supporting Learning in Physical Education and School Sport aims to provide learners with an introduction to a number of roles through an engagement with physical education and school sport (PESS), including teaching, activity leadership and coaching for young people. The qualification provides learners with guidance on further opportunities, including how to contribute to PESS programmes as a sports leader, coach and teaching assistant. While this qualification is delivered through the medium of PESS, the skills may be used by learners in working in other sporting environments, under appropriate guidance.

18 Years Up

Level 3 Certificate in Supporting the Delivery of Physical Education and School Sport (QCF)

Developed in partnership with the Association for Physical Education (afPE), the 1st4sport Level 3 Certificate in Supporting the Delivery of Physical Education and School Sport (QCF) prepares learners for employment in a school sport setting through providing an introduction to opportunities for them to work as a physical education and school sport professional
