**Full details at: [paintfleetblue.co.uk](http://paintfleetblue.co.uk)**

# This spring we are going to 'Paint Fleet Blue' to raise funds towards FREE prostate cancer checks for the men of Fleet.

Working alongside the Fleet Lions we are putting on a series of fun events to not only raise money but also raise awareness of the condition that 1 in 8 men will be diagnosed with during their lifetime. Prostate cancer can be fatal but if caught early survival rates are very high which is why this week is so important to potentially save the lives of our mates, brothers, dads, uncles and granddads across Fleet and Church Crookham. The screenings will take place on 6th & 27th of April, please see our website for full details.
