

THE KING'S DNA

RICHARD III: FROM CAR PARK TO CATHEDRAL

Free public talk

6-7pm, Wednesday 28th June 2017

Catrin Finch Centre, Mold Road

Wrexham LL11 2AW

Join Wales Gene Park to hear the story of the discovery and identification of the skeleton in the car park, including how DNA was used to help confirm that the remains were that of the lost king, Richard III. *All welcome!*

This event is free of charge but you must register to attend via Eventbrite at:
