

# meet your local business

bet you didn't know that there is a great family run security shredding business based in Mid-Sussex located on the SM Tidy Industrial Estate at Ditchling Common!

We provide services not just for some of the largest businesses in Sussex but also for small businesses, shops and individual homeowners.

Operating to the highest professional and security standards, we provide you with the comfort that you are meeting the requirements of the Data Protection Act 1998, so let us:

- Help you remain legally compliant
- Prevent identity theft
- Keep your Company or personal information secure

We can provide collection sacks or containers with a guaranteed service from your home or office/storage archive directly to our shredders, with regular tailor-made collections to suit your personal or business needs, we also provide one-off record purges where larger amounts of documents need to be securely destroyed.

We try to maintain a 'Zero-Waste-to-Landfill' operation and can also collect cardboard, non-confidential paper as well as providing a total data destruction service for any computer or

IT equipment. Shredded paper goes to local processors after baling where it is 100% recycled.

We will also accept unlimited amounts of non-confidential paper, magazines, brochures, newspapers and cardboard which can be delivered directly in to us free of charge for recycling, so call our Depot on 0800 234 6660, or email us at [sales@shreddedneat.co.uk](mailto:sales@shreddedneat.co.uk) or via our website [www.shreddedneat.co.uk](http://www.shreddedneat.co.uk)

Mention the Mid Sussex Times for a 10% discount, we would love to hear from you!!
