About **GARDEN ASPECTS**

Garden Aspects has been serving the beautiful gardens of Hale, Bowdon, Altrincham and surrounding areas since 2008, when it was formed by Garden Designer, Slava Stepanov.

Slava initially set out doing designs for clients, but the need for a complete gardening service soon became apparent. Over the years Slava has designed, built, landscaped and restructured many of the gardens in this desired location. With his extensive plant knowledge and passion for customer service the team at Garden Aspects is continuing to grow, as are the services we offer.

Our PACKAGES

GROUND MAINTENANCE

In need of a little vegetation control? Our ground maintenance package will be perfect for you.

For as little as £25 per hour, you can have regular ground maintenance carried out. We'll draw up a maintenance schedule for you which will include some or all the following:

-  **Strimming** - make sure those unruly, difficult areas are kept in check
-  **Trimming** - a little light pruning or a hedge trim to keep your shrubs in shape and healthy
-  **Blowing** - get those leaves collected up and out of the way
-  **Mowing** - keep your lawn cut and looking pristine all year round
-  **Edging** - maintaining a crisp finish to the lawn with regular edging
-  **Weeding** - remove those unwanted plants from your borders

Additional services are available on request at an extra fee.

The rates for this service will be typically based on the project or hourly rate starting as low as £25.

GROUND MAINTENANCE^{PLUS}

Need a little extra? The ground plus package could be what you are looking for. With two man hours booked in weekly or fortnightly, you'll receive a man hour free. This will include an experienced gardener and two experienced groundsman.

Using the latest equipment means the results will be amazing. Our sophisticated new generation electric machinery dramatically reduces the noise level too. Keeping you and your neighbours happy!

Not only do you have all the services of the ground maintenance package but you'll also be able to have in addition:

-  Lawn Treatment and Care (except top dressing costs). If your lawn needs 1 or 5 treatments as well as mowing to keep it at its best, we will do it all as required within our 3 hour visit
-  Weed Killer application by PA 1 & 6 certified person at no extra cost
-  6 days a week access to your designated team online or by phone
-  Delivered to suit your requirements
-  Money back guarantee if we are late or unable to attend. (excludes severe weather, unforeseen circumstances as laid out in our T&Cs)

Our special rate for existing customers is only £35 per man hour plus vat instead of £45. This offer is valid until March 31st 2016.

THE Ultimate GARDENING EXPERIENCE

This is our first class package. You'll have a dedicated team, overseen by the most experienced gardeners. Using the latest and best equipment available on the market keeping noise to a minimum.

Not only do you receive ALL the features of the ground and ground plus packages, but you also receive the following:

- Tree surgery services equivalent of one large tree (for every 500sq m)
- Unlimited Design and Consultation with our designer
- Supply and replacement of shrubs or 5 small trees annually (for every 500sq m)

Garden Design **FEES**

Our bespoke Garden design service is tailored to your needs. The fees below are based on a garden not exceeding half an acre.

Within that service you receive:

AN INITIAL ON-SITE MEETING

This is free of charge to assess the service you require.

A DETAILED CONSULTATION

The garden designer will spend an hour with you defining your requirements. Your wish list and site surveying will also be carried out.

The cost will be £100 for the first hour and £60 for each hour thereafter.

THE DESIGN

Your brief is drawn up along with an estimate of the costs. Based on the brief we will create a concept plan with up to three versions. You'll receive a site survey along with two black & white copies of the Master Plan. This will be to scale and is a "Birds eye view" showing areas of hard landscaping, trees, lawns and planting areas.

Prices starting from £600.

Optional Services

Elevation Design Drawing - **£300**

(enhance the concept by having it created with an elevation)

3D Design Drawing - **£450**

(elevate the design by having the concept in 3D)

Colour Design Drawing - **£185**

(Adding a splash of colour can bring the drawing to life.)

Project Management - **£60 per hour**

(If you'd like additional consultation time, assistance with planning or project management that's no problem, we are happy to assist and charge per hour)

There will be an additional travel fee for areas outside Altrincham, over 20 miles.
