

Does your community project need our support?

A rare chance for voluntary and community organisations to present their ideas to a panel with a chance of winning financial or other support.

THE CHALLENGE

Each group or individual has five minutes to present their idea or concept to the panel. The Judges will have five minutes to ask questions. The Judges will then discuss all of the presentations to decide which they propose to support.

THE COMPETITION

A Community Project should be a project (new or existing) which benefits either the wider community, or a group of individuals within the community. The competition is divided into two categories: Junior teams with all members 18 years old and under prior to 31st December 2017, or senior teams with members over 18 years old.

The competition is available for small local community groups, and small local charities based in any of the following: Windsor, Ascot, Datchet, Eton, Old Windsor, Sunningdale, Sunninghill, or Wraysbury.

THE PRIZE

Windsor Lions are offering 4 prizes (2 for each category) to the value of up to £2,000 for each prize.
