Join us this Christmas for a week of action packed fun. We are running both soccer schools and multi sports courses at each location. Children need to bring a packed lunch and water bottle for the day which can be refilled along with comfortable clothing for the days activities. On Friday 22nd December children will receive a visit from Father Christmas who will be bearing gifts. Booking is essential as places are limited; to book simply call, text, email or alternatively head to our website and use our online booking form.
