

**The Royal Institution**  
Science Lives Here

The Queen's School invites you to a  
fantastic Interactive Science Show for all the family

# Feel The Power

Tuesday 20<sup>th</sup> February 2018

at 6pm in our school hall

Please reserve places by email at [science@queens.richmond.sch.uk](mailto:science@queens.richmond.sch.uk) or visit our school website for more information [www.queens.richmond.sch.uk](http://www.queens.richmond.sch.uk)

This show tells the story of electricity with live demonstrations, audience interaction and content ranging from explanations of static electricity to modern day use of generators. Witness the earliest experiments that reveal how electricity can be harnessed in a show rooted in the R's history of discoveries relating to magnetism and electricity.

Tickets - Adults £3, Children £1 Payable in cash on the day
