SOME USEFUL TIPS:

- Secure the dog if safe to do so
- *Check the local area/knock on doors. Someone may be out looking for their pet
- *Take to a vet or contact the relevant Harvey's Army group to get the dog checked for a chip — THIS IS FREE!
- *Take photos and post to local Facebook pages & the DogLost website, if possible ensuring any distinctive markings or features which could be used to identify the dog are not visible

IT IS THE LAW TO REPORT ALL FOUND DOGS TO THE DOG WARDEN!!!
