## About the **EVENT**

**Driving Forces** at **Aldershot**, is a one-day vehicle roadshow which is free to attend for all armed forces personnel and their families based at the Garrison. So if you are looking for a new car, pick-up or motorbike, then please visit the event on **Wednesday 16th May** situated on the **Grass Crete Car Park**, at the **Garrison Sports Ground**, just off Queens Drive.

At the event you will be able to take advantage of the great deals and discounts available to you and have the chance to win some fantastic prizes. Many of the manufacturers that will be exhibiting are also offering the chance to test drive their latest models. So even if you are not currently considering a new vehicle or motorbike, it is a superb event to attend to research which models may suit you or your family in the future. We also don't mind if you just love anything on two or four wheels, and want to come along for the afternoon to have a look around.

This is the very first **Driving Forces Roadshow** and we delighted to be hosting the event at the home of the British Army.

At **Driving Forces** we feel it is important that serving personnel are able to take advantage of the great offers and discounted rates available to them and to do so, in a family-friendly environment, with 'no hard sell'.

So **save the date** and visit the Driving Forces Roadshow on the **16th May**.

Show opening hours **1300hrs -1800 hrs.**

Our **nominated charity:**  
**Driving Forces Roadshows** is also proud to announce that the nominated charity for all our events taking place in 2018, is Walking With The Wounded.
