

Summer at the Museums

25 July -
3 September
2018

www.museums.cam.ac.uk/summer

FUN FAMILY DAYS OUT FOR ALL AGES

- Making & Creating
- Hands-on History
- Interactive Science

UNIVERSITY OF CAMBRIDGE
MUSEUMS
& BOTANIC GARDEN

Supported using public funding by
**ARTS COUNCIL
ENGLAND**

Discover summer adventure and fun on your doorstep

25 July - 3 September

From pre-historic brains and art based fun, to adventures with Romans and computer wizardry, there are over 120 fun, low-cost or free, family friendly events to choose from.

Contents

Family Events & Activities	04
Day-by-day listings of drop-in and bookable events and activities.	
Other Things to Do	35
Additional fun things happening this summer.	
Making the Most of Your Visit	37
Useful information, tips and advice.	
Museum Information	38
Address and contact information.	

Family Events & Activities

Please note, places for bookable events are available from **2 July**.

Wednesday 25 July

Amazing Algorithms

Centre for Computing History

Algorithms are important in making computers do particular tasks. At this hands-on workshop, explore algorithms that occur in our daily lives then have a go at teaching an old BBC Micro computer to count.

-  **11am-12pm**
-  **Ages 7+**
-  **£12 (accompanying adult £8), pre-book 01223 214446 or visit www.computinghistory.org.uk**

Wonderful Windcatchers

All Saints Church, Cambridge

Make a windcatcher using ribbons, wool, jangly church keys and beads.

-  **11am-3pm**
-  **5-11**
-  **Free drop in**

Seize a Cipher

Centre For Computing History

Learn how to decode some secret messages using shift ciphers (or caesar ciphers). Use a cipher wheel to create your own coded communications.

-  **2-3pm**
-  **Ages 7-11**
-  **£12 (accompanying adult £8), pre-book 01223 214446 or visit www.computinghistory.org.uk**

Wednesday 25 July

Dinosaurs!

Wisbech & Fenland Museum

Help the Museum celebrate their latest *Dinosaurs!* exhibition in partnership with the Sedgwick Museum of Earth Sciences. Drop-in to create your own mini-dinosaur, make a dinosaur mask or build a dinosaur skeleton to take home.

-  **11am-3pm**
-  **All ages**
-  **£1 per child, drop-in**

Event also runs:
Friday 10 August
Wednesday 22 August
Saturday 1 September

Brainstorm

Sedgwick Museum of Earth Sciences

The Whipple Museum of the History of Science joins forces with the Sedgwick Museum for a crafty summer session. Explore different types of brains and discover how we have developed our understanding of these. Then make your own thinking cap or dinosaur hat.

- 10am-1pm
- Ages 5+
- Free, drop-in

Zoologist for a Day

Museum of Zoology

Discover the science of Zoology and the amazing diversity of animal life with this day-long hands-on workshop with researchers from the Museum and Department of Zoology.

- 10am-3pm
- Ages 13-18
- £15, pre-book www.museum.zoo.cam.ac.uk/events

It's Not Easy Being Green

Cambridge University Botanic Garden

Creative Movements is coming to the Botanic Garden to bring the plants alive with storytelling and movement. Hear the story of a lonely little cactus, moving through the greenhouses and interacting with the spaces as you go. Expect dancing, drama and lots of fun.

- 10.15-11am (Ages 4-11)
11.30am-12.15pm (Ages 8-11)
- Ages 4-11
- £5 per child, normal adult admission charges apply, pre-book 01223 331875 or email education@botanic.cam.ac.uk

Arty Alien

St Neots Museum

Travel through time with the Museum's Time Machine and design and make an alien mask using collage.

- 11am-3pm
- Ages 4-11
- £3.50 per child, drop-in

Children's Archaeology Day

Farmland Museum and Denny Abbey

Try out being an archaeologist for the day. Dig through the past, handle objects and find out what archaeologists look for in ancient 'poo'.

- 11am-4pm
- All ages
- Normal admission charges apply, drop-in

Vintage Vehicles

Burwell Museum & Windmill

Travel back to the past on the Burwell and District Bus and explore different ways of getting around. Create your own amazing vehicles to take home.

- 1.30-4.30pm
- All ages
- Normal admission charges apply, drop-in

Build Your Own 'Micro' Computer

Centre For Computing History

Build your own 'micro' computer and program it using the BASIC language. Although most of the workshop will be hardware focused, worksheets will be supplied to create simple programming projects. The kit will be yours to keep, and can be expanded to include a small touch screen.

Please note: there will be some soldering involved.

- 11am-3pm
- Ages 10+
- £26 (accompanying adult £8), pre-book 01223 214446 or visit www.computinghistory.org.uk

Arty Alien

St Neots Museum

Travel through time with the Museum's Time Machine and design and make an alien mask using collage.

- 11am-3pm
- Ages 4-11
- £3.50 per child, drop-in

Saturday 28 July

Norris Museum's Summer Festival

Norris Museum, St. Ives

Help the Museum celebrate one year since its reopening and drop-in to this fun, family event. Browse stalls, meet people from the past, listen to music – and make your own mark on local history.

-  10am-4pm
-  All ages
-  Free, drop-in

Sunday 29 July

Studio Sunday

Kettle's Yard

Discover your inner artist and drop-in to the Gallery's Learning Studio for practical art marking workshops.

-  12-4pm
-  All ages
-  Free, drop-in

Monday 30 July

Polar Play

The Polar Museum

Explore the Polar Museum with your little ones when it is closed to the public. There will be sensory play, crafts and books to read.

Please note: unfortunately older siblings cannot be accommodated at this event.

-  10am-12pm
-  Ages under 5
-  Free, pre-book
www.polarplayunder5s.eventbrite.co.uk

Zoolab: How to Build a Dinosaur

Sedgwick Museum of Earth Sciences

Take a voyage of discovery into how animal senses and characteristics have adapted over millions of years. Find out how some animals can change colour and body temperature and how others, including humans, adjust to widely different temperatures and environments.

-  Sessions at: 11am/11.45am/12.30pm
-  Ages 7+
-  Free, pre-book
www.zoolab.eventbrite.co.uk

Sing in the Summer

Great St Mary's Church, Cambridge

Featuring a range of great songs guaranteed to get you singing along, join in this free singing workshop led by the Choral Director of Shout Aloud! Children's Choir.

-  Sessions at: 11am/1pm
-  Ages 4+
-  Free, drop-in

Tuesday 31 July

Family Paper Craft Morning

Cambridge Museum of Technology at the Museum of Cambridge

Try your hand at a variety of papercrafts including using printing presses, paper mosaics and origami.

-  10am-12.30pm
-  Ages 5+
-  £3.50, pre-book
info@museumoftechnology.com

The Great Sea Dragon Discovery

Sedgwick Museum of Earth Sciences

Join children's author Pippa Goodhart for a reading from her new book *The Great Sea Dragon Discovery* and learn how the story has close connections with the Museum's collection. A book signing follows the session.

-  Sessions at: 10.30/11.30am
-  Ages 5+
-  Free, drop-in

Arty Antlers

Museum of Archaeology & Anthropology

Discover the mysterious antler headdresses of prehistoric *Star Carr* and make your own headdress to take away. Follow the trail through the Museum's, new *Star Carr* exhibition and imagine what life was like for our ancestors.

-  10.30am-12.30pm
-  All ages
-  Free, drop-in

Digital Dark Materials

Fitzwilliam Museum

Join the Whipple Museum of the History of Science for pop-up workshops at the Fitzwilliam Museum. Make your own moving, digitally-enhanced alethiometer, inspired by the ADC production of *His Dark Materials* and the Whipple's exciting collections.

-  11.30am-1.30pm
-  Ages 8-12
-  Free, pre-book 01223 332904,
education@fitzmuseum.cam.ac.uk

Family Art Week: Museum in Motion

Fitzwilliam Museum

Create settings and characters inspired by the Fitzwilliam Museum collection and bring them to life. What stories will you choose to tell?

-  11am-3pm
-  All ages
-  Free, drop-in

Pacific Weaving

Museum of Archaeology & Anthropology

Be inspired by the Museum's collection of woven objects from the Pacific and weave your own fish or bag to take home.

- 10.30am-12.30pm
- All ages
- Free, drop-in

Children's Level 1 Glass Fusing Workshop

Stained Glass Museum

Learn how to cut glass and create your own glass fused artworks at this summer workshop. Perfect for children who are new to glass fusing or who'd like some more practice.

- 10.30am-12.30pm
- Ages 7+
- £10 per child, pre-book 01353 660347

Creative Candle Votives

All Saints Church, Cambridge

Create and decorate a clay votive candle holder.

- 11am-3pm
- Ages 5-11
- Free, drop-in

Digital Dark Materials

Fitzwilliam Museum

Join the Whipple Museum of the History of Science for pop-up workshops at the Fitzwilliam Museum. Make your own moving, digitally-enhanced alethiometer, inspired by the ADC production of His Dark Materials and the Whipple's exciting collections.

- 11.30am-1.30pm
- Ages 8-12
- Free, pre-book 01223 332904, education@fitzmuseum.cam.ac.uk

Family Art Week: Proper Posers

Fitzwilliam Museum

What item from the museum would you most like to wear or hold? Whose moustache or wig would you try on? Explore costume and props around the Museum before crafting your own to try on and bring to life.

- 11am-3pm
- All ages
- Free, drop-in

Workshop Wednesdays

Cromwell Museum, Huntingdon

Find out about 17th century life and try out a different craft activity each week. Make your own replica of Cromwell's hat, design a Civil War flag or make a sweet smelling pomander to take home.

- 11.30am-1pm
- Ages 5-15
- £2 per child, drop-in

Feathered Friends

Farmland Museum and Denny Abbey

Visit the Museum for a bird-themed family trail and craft activities.

- 12-4pm
- All ages
- Normal admission charges apply, drop-in

Animal Journeys

Museum of Zoology

Journey around the world with amazing animal travellers at this family activity afternoon. Pack a suitcase and explore the galleries, and create a creature to take away with you.

- 12-4.30pm
- All ages
- Free, drop-in

Children's Level 2 Glass Fusing Workshop

Stained Glass Museum

Led by a professional glass artist, create new and exciting glass artworks. **Please note:** this workshop is aimed at children who have done glass fusing before.

- 2-4pm
- Ages 7+
- £15 per child, pre-book 01353 660347

Family Engineering Morning

Cambridge Museum of Technology at the Museum of Cambridge

Join the Museum's engineering team at the Museum of Cambridge and work with your family to design, build and test a towering chimney, a parachute and a stethoscope.

-  10am-12.30pm
-  Ages 8+
-  £3.50, pre-book info@museumoftechnology.com

Here be Dragons

Ely Museum

Dragons. Are they magical or scary? Find out more at this dragon-based craft session.

-  11am-12.30pm
-  Ages 5-11 years
-  £3, pre-book 01353 666655, admin@elymuseum.org.uk

Family Art Week: Comic Reliefs

Fitzwilliam Museum

Discover the magical stories told on Greek and Roman vases and reliefs and be inspired to create your own comic book creations.

-  11am-3pm
-  All ages
-  Free, drop-in

Digital Dark Materials

Fitzwilliam Museum

Join the Whipple Museum of the History of Science for pop-up workshops at the Fitzwilliam Museum. Make your own moving, digitally-enhanced alethiometer, inspired by the ADC production of His Dark Materials and the Whipple's exciting collections.

-  11.30am-1.30pm
-  Ages 8-12
-  Free, pre-book 01223 332904, education@fitzmuseum.cam.ac.uk

Spacey Tie-Dye

St Neots Museum

Have a go at tie-dyeing and make your own space inspired t-shirt to take away.

-  11am-3pm
-  Ages 4-11
-  £3.50 per child, drop-in

Feathered Friends

Farmland Museum and Denny Abbey

Visit the Museum for a bird-themed family trail and craft activities.

-  12-4pm
-  All ages
-  Normal admission charges apply, drop-in

The Fastest Feet in the World

Museum of Classical Archaeology

Join storyteller Marion Leeper for the story of Atalanta. Explore the Museum to find the heaviest and scariest feet, and make some foot art of your own.

-  1.30-3pm
-  Ages 3-5
-  Free, pre-book www.fastestfeet.eventbrite.co.uk

Meet the Romans

Burwell Museum and Windmill

Did you know that there were once Romans in Burwell? Explore what their lives might have been like, test your archaeology skills on real Roman pottery and design your own pot.

-  1.30-4.30pm
-  All ages
-  Normal admission charges apply, drop-in

Bug your Bedroom

Centre For Computing History

Learn how to create the beginnings of an intruder alarm to protect your bedroom from being invaded by parents and siblings. Using a Raspberry Pi and some clever Python code, you will find out how easy it is.

-  2-4pm
-  Ages 10+
-  £12 (accompanying adult £8), pre-book 01223 214446 or visit www.computinghistory.org.uk

Friday 3 August

Animal Tails: Underwater Worlds

Museum of Zoology

Explore the animal kingdom with stories and play. You'll soon see why the Museum of Zoology is the *plai*ce to learn about fishes and their friends.

🕒 Sessions at:
10.30-11.15am / 11.30am-12.15pm

👤 Ages 2-5

£ Free, pre-book
www.museum.zoo.cam.ac.uk/events

Marvellous Mosaics

Norris Museum, St. Ives

Join local artist, Zena Brackenbury for a mosaic-based workshop. Learn techniques to make your mosaic coaster, or a set of coasters.

Please note: as this activity involves working with small pieces of glass children under 10 will require adult supervision. Additional activities will be available for younger children.

🕒 Sessions at:
10.30-11.30am / 12-1pm / 2-3pm

👤 All ages

£ £3.50 per person, £5.00 for child and adult to make a coaster, £10.00 for a family pack of four coasters; pre-book:
info@norrismuseum.org.uk
01480 497314

Family Art Week: Silhouetted Stories

Fitzwilliam Museum

Take a fantastic journey to explore stories from far off lands in the Museum's collections. Create a silhouette puppet to tell your own tales at home. Who knows what new stories you will discover...

🕒 11am-3pm

👤 All ages

£ Free, drop-in

Spacey Tie-Dye

St Neots Museum

Have a go at tie-dyeing and make your own space inspired t-shirt to take away.

🕒 11am-3pm

👤 Ages 4-11

£ £3.50 per child, drop-in

Saturday 4 August

Digital Dark Materials

Fitzwilliam Museum

Join the Whipple Museum of the History of Science for pop-up workshops at the Fitzwilliam Museum. Make your own moving, digitally-enhanced alethiometer, inspired by the ADC production of His Dark Materials and the Whipple's exciting collections.

🕒 11.30am-1.30pm

👤 Ages 8-12

£ Free, pre-book 01223 332904,
education@fitzmuseum.cam.ac.uk

Butterflies and Moths

Cambridge University Botanic Garden

Have a go at making butterfly and moth artworks using leaves from ginkgo trees. Learn how gardeners make new plants by taking cuttings and take your own cutting of *Verbena bonariensis* to attract butterflies to your garden.

🕒 11am-3pm

👤 All ages

£ Children free, normal adult admission charges apply, drop-in

An afternoon with Elliott, our oldest working computer

Centre For Computing History

How do you program a computer using a strip of paper? Find out at this demonstration session. The Elliott 903 is the size of an average desk and is also the oldest functioning computer in the Centre's collection.

🕒 2-3pm

👤 All Ages

£ Normal admission applies, pre-book 01223 214446
www.computinghistory.org.uk

Set the Scene

Fitzwilliam Museum

Help create a 'Museum of the Future'. Drop-in and explore the Museum's architecture for set design inspiration, then create your own mini-scene to add to a collaborative Museum map.

🕒 2-4pm

👤 All ages

£ Free, drop-in

Tall Towers

Great St Mary's Church

Find out about Great St Mary's amazing tall tower and the stories behind it. Discover some of the world's tallest towers with the Tall Tower Trail, have a go at designing and building a spire for the church, and try out some terrific tower building challenges. Mini-builders can join in too with playdoh, bricks and construction activities.

Normal admission applies to climb the 123 steps to the top of the tower to experience the wonderful views over Cambridge.

-  **11am-3pm**
-  **All ages**
-  **£2.50 for ages 3+ (normal admission applies to climb the tower), drop-in**

Time-travelling Scientists

Museum of Classical Archaeology

Step back in time to discover more about science in ancient Greece and Rome. How did they build such impressive buildings? How did they cure illnesses and make sense of the stars? Find out with the help of the Whipple Museum of the History of Science.

-  **12-4pm**
-  **All ages**
-  **Free, drop-in**

Design Your Own Dust Cover

Cambridge University Library, Milstein Seminar Rooms

The Library's magnificent Tower is almost 10 giraffes high and holds over half a million books, including thousands with vibrantly illustrated dust covers. Get inspiration from some of the books on display and design your own dust jacket. Bring your creation to life with help from children's book illustrators Jeff Crosby and Shelley Jackson. Got your own favourite book to share? Bring it along, the Library would love to see it.

-  **10am-12pm**
-  **Ages 7-12**
-  **Free, drop-in**

Family Paper Craft Morning

Cambridge Museum of Technology at the Museum of Cambridge

Try your hand at a variety of papercrafts including using printing presses, paper mosaics and origami.

-  **10am-12.30pm**
-  **Ages 5+**
-  **£3.50, pre-book**
info@museumoftechnology.com

Artist Workshop for Young People

Museum of Classical Archaeology

Join artist Caroline Wendling for an exploration of colour through sculpture making using different kinds of papers.

-  **2-4pm**
-  **Ages 12-14**
-  **Free, pre-book**
www.cwendlingworkshop.eventbrite.co.uk

Wednesday 8 August

Minibeast Yoga

Cambridge University Botanic Garden

Experience yoga as one of the millions of minibeasts that live in the Garden. Breathe like a bee, learn different poses to stretch out and balance, play a fun yoga game and listen to a relaxing story. Finish the session by making cute craft bugs.

-  **10.15-11am**
-  **Ages 4-7**
-  **£5 per child, normal adult admission charges apply, Pre-book**
01223 331875
education@botanic.cam.ac.uk

Stained-glass Craft

All Saints Church, Cambridge

Use tissue-paper to create a design inspired by the church's stained-glass windows.

-  **11am-3pm**
-  **Ages 5-11**
-  **Free, drop-in**

Pebbles Club Summer Party

Norris Museum, St. Ives

Celebrate the summer with *Pebbles and Friends*. Enjoy face painting, creative crafts and *Into The Jungle* by *Heartbeeps*, an interactive musical storytelling adventure.

-  **10am-12pm (Into The Jungle 10:30 and 11:30am)**
-  **Ages 5 and under**
-  **Crafts and face painting £2 per child, drop-in.**
Into The Jungle an additional £1; pre-book
info@norrismuseum.org.uk
01480 497314

Nature Yoga

Cambridge University Botanic Garden

Challenge your coordination and connect with nature at this yoga session. Practice different poses, learn how your breath gives you energy, play a game and try a secret garden visualisation. Afterwards, make a garden leaf mandala to take away.

-  **11.30am-12.15pm**
-  **Ages 8-11**
-  **£5 per child, normal adult admission charges apply, pre-book**
01223 331875
education@botanic.cam.ac.uk

Workshop Wednesdays

Cromwell Museum, Huntingdon

Find out about 17th century life and try out a different craft activity each week. Make your own replica of Cromwell's hat, design a Civil War flag or make a sweet smelling pomander to take home.

-  11.30am-1pm
-  Ages 5-15
-  £2 per child, drop-in

It's a Bug's Life

Farmland Museum and Denny Abbey

Visit the Museum and embark on a bug safari and try out themed events and activities.

-  12-4pm
-  All ages
-  Normal admission charges apply, drop-in

Mischief Monsters

Stained Glass Museum at Ely Library

Join the Stained Glass Museum team for some crafty fun at Ely Library. Create your own Mischief Monsters inspired by the Library's Summer Reading Challenge.

-  2.30-3.30pm
-  All ages
-  £2 per child, pre-book in person at Ely Library

Take a Closer Look

Museum of Zoology

Drop in to discover one of the amazing specimens from the Museum's stores not normally on public display.

-  3-3.30pm
-  All ages
-  Free, drop-in

Thursday 9 August

Family Engineering Morning

Cambridge Museum of Technology at the Museum of Cambridge

Join the Museum's engineering team at the Museum of Cambridge and work with your family to design, build and test a towering chimney, a parachute and a stethoscope.

-  10am-12.30pm
-  Ages 8+
-  £3.50, pre-book info@museumoftechnology.com

Tick, Tock Make a Clock

St Neots Museum

Get hands-on with clay to make and decorate your own clock.

-  11am-3pm
-  Ages 4-11
-  £3.50 per child, drop-in

Nocturnal Creatures

Ely Museum

Discover more about animals normally seen only at night through fun craft activities.

-  11am-12.30pm
-  Ages 5-11
-  £3, pre-book 01353 666655, admin@elymuseum.org.uk

It's a Bug's Life

Farmland Museum and Denny Abbey

Visit the Museum and embark on a bug safari and try out themed events and activities.

-  12-4pm
-  All ages
-  Normal admission charges apply, drop-in

The Farming Year

Burwell Museum and Windmill

Explore the Barn to find out more about how people would have lived and worked in Burwell when it was mostly a farming community. Dress up, handle mystery objects and design your own farm.

-  1.30-4.30pm
-  All ages
-  Normal admission charges apply, drop-in

Thursday 9 August

Family Engineering Morning

Cambridge Museum of Technology at the Museum of Cambridge

Join the Museum's engineering team at the Museum of Cambridge and work with your family to design, build and test a towering chimney, a parachute and a stethoscope.

-  10am-12.30pm
-  Ages 8+
-  £3.50, pre-book info@museumoftechnology.com

Dinosaurs!

Wisbech & Fenland Museum

Help the Museum celebrate their latest *Dinosaurs!* exhibition in partnership with the Sedgwick Museum of Earth Sciences. Drop-in to create your own mini-dinosaur, make a dinosaur mask or build a dinosaur skeleton to take home.

-  **11am-3pm**
-  **All ages**
-  **£1 per child, drop-in**

Paint a Pebble

Norris Museum, St. Ives

Be inspired by objects from the collection then paint a pebble to keep or send travelling all over the county.

-  **10am-4pm**
-  **All ages**
-  **Free, drop-in**

Rachel's Robots

Centre For Computing History

Come and be introduced to robot 'staff' member, Jennifer. Listen to a short talk on Robotics followed by a robotics demo that will end with Jennifer doing a bit of Tai-Chi (depending on her mood, of course).

-  **11am-12pm**
-  **All Ages**
-  **Normal admission applies, pre-book 01223 214446/www.computinghistory.org.uk**

Tick, Tock Make a Clock

St Neots Museum

Get creative with clay to decorate and make your very own clock.

-  **11am-3pm**
-  **Ages 4-11**
-  **£3.50 per child, drop-in**

Sunday 12 August

Studio Sunday

Kettle's Yard

Discover your inner artist and drop-in to the Gallery's Learning Studio for practical art marking workshops.

-  **12-4pm**
-  **All ages**
-  **Free, drop-in**

Monday 13 August

Flying High

Great St Mary's Church, Cambridge

Join a quest to discover the flying creatures and winged messengers hidden inside the church. Have a go at 'flying high' craft activities and try out some flying challenges. Can you use your engineering skills to complete the egg drop challenge? Playdoh will be available for the littlest visitors.

-  **11am-3pm**
-  **All ages**
-  **£2.50 for ages 3+, drop-in**

The Romans are Coming!

Museum of Classical Archaeology

Fancy joining the Roman army? Or becoming a fearsome gladiator? Join the Museum for an afternoon of crafts, hands-on activities and dressing-up to help you make up your mind.

-  **12-4pm**
-  **All ages**
-  **Free, drop-in**

Tuesday 14 August

Family Paper Craft Morning

Cambridge Museum of Technology at the Museum of Cambridge

Try your hand at a variety of papercrafts including using a printing presses, paper mosaics and origami.

-  **10am-12.30pm**
-  **Ages 5+**
-  **£3.50, pre-book info@museumoftechnology.com**

Glass Jar Photo Frames

Stained Glass Museum

Decorate your own unique glass jar photo frame and have your photo taken to go inside.

-  **Sessions at: 10.30am-12.30pm & 1.30-3.30pm**
-  **Ages 5+**
-  **£3.50 per child, pre-book 01353 660347**

Dots and Dashes

Centre For Computing History

How did people communicate before computers? Discover how electricity was used in the form of Morse Code to send messages across large distances then have a go at sending your own using Morse Code kits.

-  **11am-12.30pm**
-  **Ages 7+**
-  **£12 (accompanying adult £8), pre-book 01223 214446 www.computinghistory.org.uk**

Wednesday 15 August

Magnificent Masks

Saffron Walden Museum

Find a fabulous creature and create your own animal mask inspired by the exhibition, *Worlds Under Glass: Adventures in Taxidermy*.

-  **Sessions: 10.30am-12.30pm & 1.30-3.30pm (sessions are ticketed and run for 30 minutes)**
-  **Ages 3+**
-  **£1.50 per child (normal admission charges also apply), pre-book 01799 510333 or email museum@uttlesford.gov.uk (tickets will also be available on the day).**

Wonderful Windcatchers

All Saints Church, Cambridge

Make a windcatcher using ribbons, wool, jangly church keys and beads.

-  **11am-3pm**
-  **Ages 5-11**
-  **Free, drop-in**

Workshop Wednesdays

Cromwell Museum, Huntingdon

Find out about 17th century life and try out a different craft activity each week. Make your own replica of Cromwell's hat, design a Civil War flag or make a sweet smelling pomander to take home.

-  **11.30am-1pm**
-  **Ages 5-15**
-  **£2 per child, drop-in**

Egyptians at Denny

Farmland Museum and Denny Abbey

In addition to building parts of Denny Abbey, the Knights Templar also took time out to visit Egypt. Discover more about what they might have encountered with an Egyptian themed trail and crafts.

-  **12-4pm**
-  **All ages**
-  **Normal admission charges apply, drop-in**

Musical Code with Sonic Pi

Centre For Computing History

Calling young music makers! Learn how to use Sonic Pi software on the Raspberry Pi to create some amazing tunes.

-  **2-4pm**
-  **Ages 8+**
-  **£12 (accompanying adult £8), pre-book 01223 214446/www.computinghistory.org.uk**

Family Engineering Morning

Cambridge Museum of Technology at the Museum of Cambridge

Join the Museum's engineering team at the Museum of Cambridge and work with your family to design, build and test a towering chimney, a parachute and a stethoscope.

-  **10am-12.30pm**
-  **Ages 8+**
-  **£3.50, pre-book info@museumoftechnology.com**

Romans!

Ely Museum

SummerDaze

If you are keen to get out and about this summer, the Children and Young People's Participation Service (ChYpPS) will be offering up a fun-packed programme of free activities. Join the team along with Cambridge museums on Wednesday afternoons at parks and community centres across Cambridge.

For more information about SummerDaze and to see the full programme visit cambridge.gov.uk/summerdaze or facebook.com/chypps 01223 457873 chypps@cambridge.gov.uk

Friday 27 July - Saturday 4 August

ADC on Tour presents: His Dark Materials

Philip Pullman's epic fantasy trilogy comes to life as a double bill at the Fitzwilliam Museum this summer as part of the 'ADC on Tour' season. Using a specially built temporary theatre and spectacular sets, lighting and puppetry, this unique production promises to be a theatrical experience like no other.

 10.30am-4.30pm

 Ages 8+

 Prices vary by day www.fitzmuseum.cam.ac.uk

Making the Most of Your Visit

Useful information, tips and advice

Access

The museums and collections welcome all visitors and unless specified, most organisations are generally accessible by wheelchair.

Further information can be found on individual websites. If you have any questions about access, please email info@cam.ac.uk or phone Susan Miller on 01223 746406.

Opening Times

Opening times may vary so if you are planning on dropping-in, it's always an idea to check museum websites before setting out.

Eating & Drinking

Many of the venues listed offer refreshments, snacks and light meals. This is indicated by the  symbol in Museum Information. For further details please see individual websites.

Visiting with Younger Children

Children of all ages are welcome across our organisations. To help you plan your visit, you'll find age ranges listed alongside specific activities.

Look out for the symbols below in Museum Information

 **Baby changing**

 **Buggy parking**

 **Shop**

Travel

Parking facilities are limited at many venues. We recommend considering public transport. If coming into Cambridge, Park and Ride runs until 8.30pm and up to 3 children travel free with each full price adult. Park and Ride: www.cambridgeparkandride.info.

The fun doesn't stop here...

With a FREE family offer throughout the year, the University of Cambridge Museums are great places to visit at any time. Whether you're looking to learn something new, a day out close to home, or a fun way to spend a rainy day, our Museums are a great place to start.

Enjoy from a range of...

Half-term and holiday drop-in and bookable activities

Family First events on the first Saturday of the month at the Fitzwilliam Museum and Botanic Garden

Activity packs and special trails to help you explore

Twilight at the Museums with torch-lit after-hours adventure in February

Pop-up events and activities across the City and region

To find out more about what's on offer throughout the year, visit our website www.museums.cam.ac.uk or follow us on:

@CamUnivMuseums
