## HOW DOES CAR SWAP WORK?

- We will price all our vehicles **TO SELL AT DISCOUNT** for the period of the event. The **DISCOUNT PRICE** will be displayed on each car. Every car will show the **SAVINGS** you are making against its previous price.
- Enjoy a complimentary tea or coffee in the showroom whilst we prepare an extra-generous free part-exchange valuation. You will receive a valuation figure, in writing, to say how much we can offer for your car.
- Then browse our fantastic selection until you find your next car. Just £50 will reserve your car. It could be a direct swap, or simply pay the difference.
- Bring your part-exchange valuation to one of our friendly sales team to complete the paperwork without fuss - then away you go!
