- The sweets will be restocked after your wedding breakfast ready for the arrival of your evening guests. For your wedding day guests you can have the option of a sweet cart attendant (additional cost) and guests can come and pick their sweets into an individual glass jar or organza bag (decorated to your theme) and taken away as their wedding favour.
- If an attendant is not required we will leave the jars/organza bags for wedding breakfast guests to pick themselves. We will then restock the sweets in time for your evening guests and provide candy bags.

If there are specific sweets that you would like included, or a particular theme of sweets then please let us know.

We also offer individual sweet jars or bags suitable to give as a gift, as your wedding favour or party bag to give to your guests to take home. We can personalise to suit your colour or party theme.

All left over sweets will be bagged and given to the customer at the end of the hire time.

We will never re-use sweets and order fresh supplies for every order.

The cart will be delivered in plenty of time for your big event and is then yours to enjoy. The cart is un-manned unless you would like an attendant and this would be at an extra cost of £10 per hour.

All of the above packages are based on 100 grams of sweets per person.

All bookings are subject to a refundable security deposit of £50

We would also ask for £25 to secure your booking, this is non-refundable but will be deducted from your final balance.

Delivery is included in the cost of your package within a 15 mile radius of Kettering. Anywhere further afield will be charged at £1 per mile.
