Guernsey Sands, part of the UK-wide network, is a local support group offering emotional support and practical help if your baby has died during pregnancy, at birth or shortly afterwards.

Our friendly and relaxed monthly community meets are an opportunity for bereaved parents, families and friends to meet with others who have been through a similar experience.

We also work closely with the local hospital to help provide the best possible care for families when a baby dies.

We Meet on:

Second Tuesday of every month

7.30-9.30pm
