BIG NETWORKING EXPO

The first ever Big Networking Expo is coming to Bolton Arena in September 2019! After the success of the Networking Arena events, we have decided to combine networking and exhibition opportunities all in one place.

Open to all businesses, the event gives you the chance to showcase your brand to potential customers and clients, whilst creating everlasting business relationships.

WHY EXHIBIT AT OUR EVENT?

The Big Networking Expo offers exhibitors a unique opportunity to meet a diverse gathering of business owners, networking specialists, decision makers and entrepreneurs. As a business-to-business event, the Expo enables exhibitors to engage with customers who are attending with the specific intention of making new contacts.

There are many excellent business reasons to take a stand at the Bolton Arena Big Networking Expo...

- Make new connections
- Improve brand image
- Keep an eye on the competition
- Learn something new
- An introduction to new networking opportunities
