# TOP REASONS TO ATTEND

1

## **Be up to Date:**

Uncover what's going around the world in the field of NUTRITION RESEARCH through presentations by experts.

6

## **Grow:**

Nutrition 2020 provides a unique convergence of networking, learning and fun into a single package. NUTRITION forces you to grow and challenge yourself.

2

## **Globalize your Institution:**

Launch your institution in front of renowned personalities from universities, industries and academia. This conference will set a platform for enduring partnership and globalizing commercialization and production.

7

## **Tips, Tricks & Techniques:**

NUTRITION 2020 is all about sharing. Our speakers are receptive and helpful. Come with questions and leave with answers.

3

## **Discover the Latest Technologies:**

See how innovative technologies are being developed and used around the world.

8

## **Let your Voice be Heard:**

As a speaker at NUTRITION 2020 you can express your views and opinions to a room full of audience from all over the world.

4

## **Emerging Topics:**

NUTRITION 2020 is wrapped with many interesting and emerging topics from Nutrition Science.

9

## **Collaborate And Sponsor:**

If you think we are a match – we would be excited to globalize your products and Services

5

## **Be Inspired:**

Understand the values of emerging research and technologies in plant biology when you hear to inspiring talks by your co speakers.

10

## **Explore Italy**

Witness the beauty of Rome by visiting the historic places and take time to taste the Italian food.

# WHY ROME ??

Rome is the capital city of Italy and it also serves as the capital of the Lazio region. It is the fourth most populated city in the European Union by population within city limits. It is the centre of the Metropolitan City of Rome, which has a people of 4,355,725 residents, thus making it the most populated metropolitan city in Italy.

In 2016, it was placed as the 14th-most-visited city in the world, 3rd most visited in the European Union, and the most popular tourist attraction in Italy. The Vatican Museum is among the world's most visited museums whereas the Colosseum was the most popular tourist attraction in the world with 7.4 million visitors in 2018. Its corporate district, called EUR, is the base of many companies involved in the oil industry, the pharmaceutical industry, and financial services. It is also an important fashion and design centre. Rome's Cinecittà Studios have been the set of many Academy Award-winning movies.

It is a nationwide and major international centre for higher education, containing numerous academies, colleges and universities. It is an vital centre for music, and it has an powerful musical scene, including several prestigious music conservatories and theatres. Today is one of the most important tourist destinations of the world. The Colosseum (4 million tourists) and the Vatican Museums (4.2 million tourists) are the 39th and 37th (respectively) most visited places in the world, according to a recent study.
