About ICC 2020

Magnus group glad to invite all the participants across the globe to attend **4th Edition of International Cancer Conference** scheduled during **September 14 -15, 2020** in **Paris, France**.

ICC 2020 has been instrumental in taking the knowledge on Science & technology to the doorsteps of ordinary men and women. Research Scholars, Students, Libraries, Educational Institutions, Research centers and the industry are main stakeholders that benefitted greatly from this knowledge transfer takes place through debates, round table discussions, poster presentations, workshops, symposia and exhibitions across America, Europe, The Middle East, and Asia Pacific.

Event attendance is an essential component of every scientist's calendar. From delegates discussing hot issues and opinion, through to networking and collaboration, events provide a platform for enhanced learning and advancement.

Your attendance at **ICC 2020** should be a rewarding experience and we look forward to welcoming you in Paris!

Top Reasons to Attend

1. PRESENTING YOUR ORGANISATION'S WORK ON A GLOBAL STAGE

As a speaker at ICC you will be presenting to a room full of senior representatives from all over the world, each providing a different perspective from the sector. Your organisation's expertise and knowledge will be showcased to key players in the field of Oncology and Radiology and will be a unique platform to increase your reputation within the sector.

2. DISCUSS AND OVERCOME ISSUES IN THE FIELD

ICC offers unrivalled opportunities to work with other key leading experts from the Universities to discuss the main challenges in the sector and to come together to produce strategies to find solutions to these problems.

3. NETWORK WITH KEY PLAYERS FROM THE SECTOR

ICC draw together leading specialists from Universities, industry, the academia to ensure a conference is a commercially productive event for all involved. Be it forging partnerships, finding customers or building collaborations. ICC is the one-stop for knowledge sharing and collaborations.

4. LEARN FROM OTHER SPEAKERS

As a speaker at ICC you will be provided with free access to three days of the conference and associated workshops and will be given the opportunity to hear from other senior representatives from the sector and consider problems and solutions in the field of Oncology and Radiology, our numerous Q&A sessions and panel discussions.

5. LEADING A WORKSHOP

By leading one of ICC renowned Workshops, you will be presented with a perfect forum for an in depth discussion and debate into a key issue. These sessions can vary in format from case-study-led debate with interactive break-out sessions to a presentation based discussion group on a topic that may need a particular in-depth focus.

6. CHAIRING AT ICC

To increase your presence at the event, why not chair the event, a day, or a specific session to present yourself and your organization as one the leading players in a specific topic area? As a chair, you will work closely with us and our line-up of senior level speakers to ensure an event's success.

7. NEW PLACES; NEW PEOPLE

Each time ICC will be held at a different place, new and different people will attend. This can enlarge building collaborations and help you in developing new relationships.

8. GROW

ICC provides a unique convergence of networking, learning and fun into a single package. ICC forces you to grow and challenge yourself.

9. COMPETITIVE ADVANTAGE

You'll stand out if you're a sponsor and your major competitors aren't. If you're Competitors have already decided to be sponsors, your sponsorship becomes even more important, to assert your comparative market strength and your commitment to healthy products.

10. THE OPPORTUNITY TO COLLABORATE AND SPONSOR

While we determine the conference theme and flow, we invite our key sponsors to suggest potential non-commercial speakers and topics that might also enhance the program. That's why it's important to commit early to sponsorship, before the program is final.

GLIMS

Prof. Michael Thompson, University of Toronto, Canada

The meeting was very enjoyable and well organised.

Dr. Sherri J. Tenpenny, Tenpenny Integrative Medical Center, USA

It was a pleasure to meet interesting researchers from around the world.

Dr. Atif A. Ahmed, Children's Mercy Hospitals and Clinics, USA

I have enjoyed listening and interacting with the other speakers. This conference has a lot of potential.

Prof. Rossana Berardi, Universita Politecnica delle Marche, Italy

The congress was very interesting with multidisciplinary view with several colleagues presented.

Dr. Jozef Sabol, Department of Crisia Management, PACR, Czech Republic

The place and organization was excellent and enjoyable.

Urszula Wojda, Nencki Institute of Experimental Biology of Polish Academy of Sciences, Poland

I enjoyed the conference very much. As possibility to meet the professionals and very distinguished scientists working in this field.

Dr. Jianhua Luo, University of Pittsburgh, USA

The conference was very success and congratulations to organization for hosting such a interesting conference and also bringing different types of people, leaders and rising stars and well promising.

Venue and Accommodations

Why Paris??

Paris is the capital and the most populous city of France. One of the most breath-taking works of architecture : The Eiffel Tower, The Notre Dame, Place De La Concorde, Arc De Triomphe, The Louvre, Les Invalides are the most famous pieces of architecture that attracts the tourists to feast their eyes upon in this city. Paris has been one of Europe's major centres of finance, commerce, fashion, science, music, and painting. The city is a major rail, highway, and air-transport hub served by two international airports. Paris is especially known for its museums and architectural landmarks: the Louvre was the most visited art museum in the world in 2017, with 8.1 million visitors. Paris is a dream place to visit for the art and architecture lovers.
