WHY PARIS?

Paris is located in northern central France, in a north-bending arc of the river Seine whose crest includes two islands, the Île Saint-Louis and the larger Île de la Cité, which form the oldest part of the city. Since the 17th century, Paris has been one of Europe's major centres of finance, diplomacy, commerce, fashion, science, and the arts.

Paris is the capital and most populous city of France and is often referred as the City of Light. The city is fully loaded with interesting and attractive sights of historical monuments such as Notre Dame, the Eiffel tower, Bastille, Louvre. Paris is the culinary capital of the world and is known worldwide for its gourmet cuisine. Traditional French cuisine varies from little desserts such as macaroons to appetizers.
