## ABOUT NBD 2021:

Hazel Group, On Behalf of the Committee, it gives us great pleasure to announce our first edition of "The 2nd International Conference on Neuro Science & Brain Disorders (NDB 2021)" has been scheduled for June 14-16, 2021 at Prague, Czech Republic. With indeed focus on the essential progression of developments and advancements.

This meeting includes several interactive sessions specifically designed for highly acclaimed educational activity which has been considered one of the predominant meetings on this subject. The objective of the Neurology Conference-2020 is to reinforce Interdisciplinary Approach for Innovation & Invention in Neuro Science Research □, Abstracts must contain original research data collected by the author(s). Presentations will be elected based upon their articulation, design and other characteristics, which cover wider aspects of Neuro science research as well as its policies related within the themes.

The conference enhanced through the provision of an interactive keynote, workshops, oral, and poster presentation sessions. Each Individual presenter will be assigned with 30 minutes time duration to express his/her research experiences followed by an interactive discussion led by leading authorities.

The committee aims to create a friendly, warm network environment among participants which makes it easy to interact other colleges/attendee to connect with each other and share their ideas and establish the foundation for future vision and development. We look forward to meeting all of you in Prague.

## Scientific Sessions:

NBD 2021 conference sessions geared towards participants with a different level of experience or different perspective. Main conference Sessions including the following sessions, based upon your expertise you can elect your preferable presentation topics based upon your interest

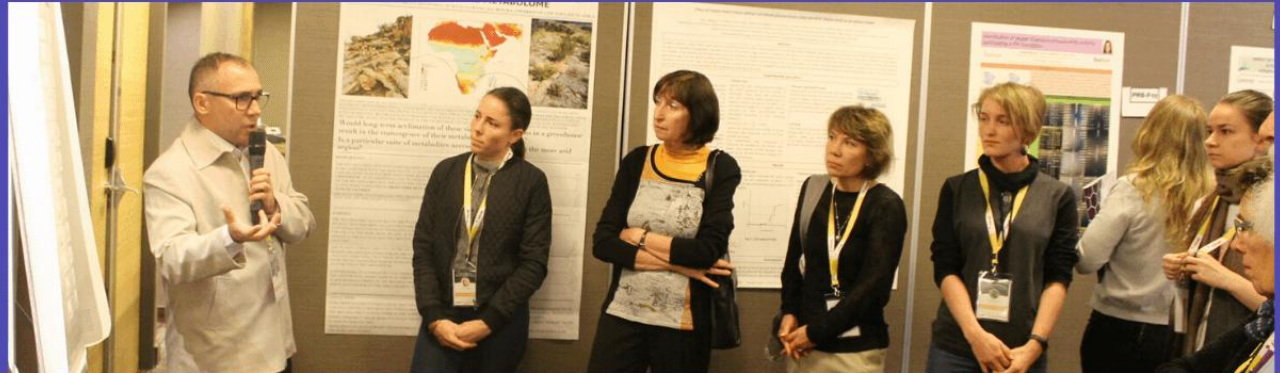

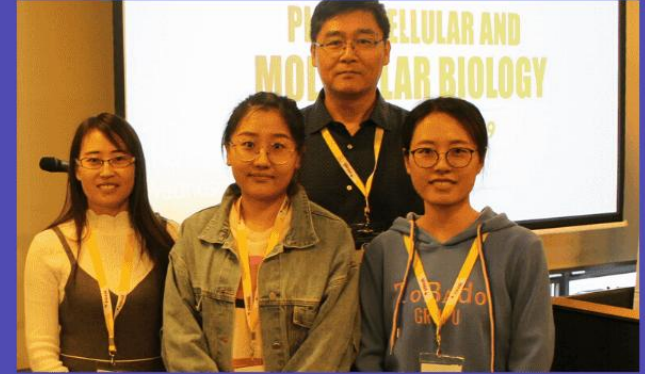

## List of Topics:

- Neuro informatics and Computational

- Cerebral Blood Flow and Metabolism
- Brain Structure and Function
- Neurobiology and Behavior
- Molecular Brain Research
- Clinical Neurophysiology and Stroke
- Neurosurgery and Spine
- Neurovascular Disorders: Mechanism, Pathophysiology and Epidemiology
- Neurovascular Disorders: Neurological Symptoms and Clinical Characteristics
- Neurovascular Disorders: Treatment, Therapies and Management
- Stroke Recovery and Neurorehabilitation
- Neurodegenerative Diseases and Stress
- Human Brain Mapping
- Epilepsy and Seizures
- Alzheimer's Disease and Dementia Diagnosis
- Alzheimer's Disease Therapeutic Opportunities
- Psychology, Cell & Molecular Biology
- Molecular Genetics & Neurobiology
- Neuropharmacology and Neurochemistry
- Multiple Sclerosis and CNS Demyelinating Disorders
- CNS Injury, Repair and Inhibition
- Neuromuscular Disorders & Motor
- Parkinson's Disease Diagnosis
- Parkinson's Disease: Therapeutic Targets & Mechanisms for Treatment
- Paediatric Neurology and Epilepsy
- Biology of Aging and Neurogenesis

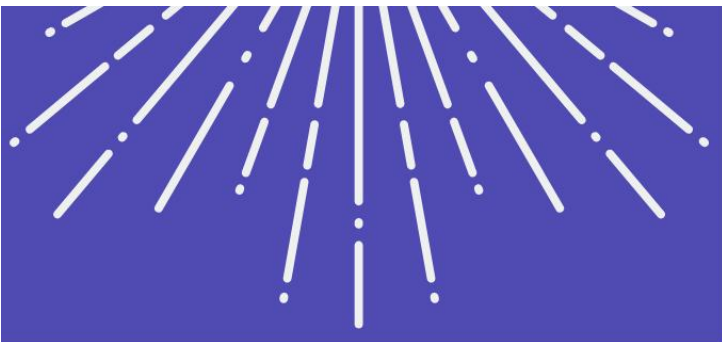

# Our Past Events Gallery

## Valencia, Spain

## Why to Attend:

### 1. A UNIQUE ONCE IN A YEAR OPPORTUNITY

In Prague, there is no other conference, which provides the depth of information specific to planned giving.

### 2. LEARN NEW TRENDS, STRATEGIES, TACTICS

Up- to-date legislations and tax benefits, current and emerging trends, technologies and tools are exclusively discussed at our conference. Do not let old and outdated information hold you back.

### 3. FRANK TALK

Frank talks returns with another provocative theme where dynamic speakers will share their new ideas and challenges that status quo, leaving delegates stimulated and inspired

### 4. NETWORK AND CONNECT

Meet and exchange ideas with hundreds of link- minded professional who are leader in our research domain.

### 5. IMPROVE YOUR RESULTS

Learn new skills to deepen your relationship with clients and donors will bring greater results for your charity or business

### 6. SAMPLE AND COMPARE TOOLS

Contact with vendors from across the Prague in a trade-show setting to learn about products and services and check out the latest tools and ideas.

### 7. GET INSPIRED

Our Speakers and attendees and attendees are highly skilled and experienced professionals. Inspirational in their passion to make a long-term positive impact.

### 8. VALUE FOR THE MONEY

With a 3 day intensive conference schedule you will access strategic gift planning knowledge and expertise that's worth weight in gold from an impressive array of recognized

## Important Dates:

Conference Dates	: April 15-17, 2021
Abstract Submission Opens	: April 01, 2020
Registration Opens on	: May 01, 2020
On Spot Registration	: April 15, 2021
Awards Ceremony	: April 17, 2021

## Group Participation

Submit your group registration interest via online contact form \_ (or)\_ you can also email us at ([Neurology2021@hazelgroup.org](mailto:Neurology2021@hazelgroup.org)) to avail the benefits on purchase of group passes to attend the congress. Companies or Any Individual who is Non-sponsoring to attend an international conference may do as such by utilizing the special group registration fee, these discounts cannot be combined with any other discounted rate. In such Group registration, one person can register an entire group at once, and each person will become a separate participant. drop us a line (at our contact form or email) and we will get back to you within 24 hr minimum! In case of quick assistance you.

# SPONSORSHIP & EXHIBITION

## Who we are?

The Hazel Group organizes worldwide conferences to grandstand several opportunities for academia, Industries & freelances to demonstrate their cutting-edge basic and applied research outcomes within life sciences including medicine and other diverse role of science and technology in society. We offer several opportunities for sponsors, exhibitors to demonstrate their new treads and technologies that enhance scientific research.

## What you can grab from NBD?

- NBD is not just about R&E networking and technology, it's also about people networking.
- It provides a chance for experts from around the globe to meet and catch up with old friends and colleagues and make new connections.
- This year on the evening, NBD will host a kick-off party for all attendees.
- This will be an ideal opportunity for
- sponsors to raise their prole with hundreds of people in one lively social event.
- If you would like to support this event
- please contact the sponsorship team.
