WHY PARIS ??

Paris is the capital and most populous city of France, often referred to as City of Light. It has been one of Europe's major centers of finance, diplomacy, commerce, fashion, science, and the arts. It is the second most luxurious city in the world. It is especially known for its museums and architectural landmarks. Paris has taken its importance as a center for education and intellectual pursuits.

It is one of the most attractive cities in the world, native to historical monuments such as Notre Dame, the Eiffel tower (320m), Bastille, Louvre and many more. This city is occupied by people, architecture, restaurants and nightlife that will seduce you and make you never want to leave.

On all levels – historical, architectural, and cultural – there is something about Paris that will mesmerize you. The night life is rich with the famous cabarets such as the Moulin Rouge, Lido and the Crazy Horse. Culinary restaurants offering cuisine of the finest are numerous and at all prices.
