Mino R Caira, University of Cape Town, South Africa

With regard to PDDS 2018 held in Rome, I can certainly declare that the keynote lectures and oral presentations were generally of an excellent standard and although covering a wide range of topics, in my opinion, they were all relevant to the discipline of drug delivery.

El Hassane Larhrib, University of Huddersfield, UK

It was an excellent conference and wonderful experience.

Natassa Pippa, University of Athens, Greece

Firstly, I would like to congratulate Magnus group about the amazing conference. I am planning to participate again in the next one in Paris.

Nicole Hess, University of New England, Australia

It was a very fascinating conference and had a wonderful experience to share about research with professionals in the field.

Georgina Kate such, The University of Melbourne, Australia

The conference was generally excellent, thanks to the quality of the presentations and general organization.

Gillian Hutcheon, Liverpool John Moores University, UK

It was indeed a wonderful conference with a good mix of speakers meaning I learnt a lot of new information on a broad range of topics. The accommodation in general was good and the food appetizing.

Ernst Wagner, Ludwig-Maximilians-Universität Munich, Germany

Many many thanks to you for the invitation and the hospitality by your group, it was a real success.

M. Teresa Carvajal, Purdue University, USA

I think all of them have been high quality talks. There is an opportunity to interact with people personally and to establish and expand collaborations and get to know each other. So it is an excellent setup and I will encourage to keep doing these.

Gus R Rosania, University of Michigan, USA

An absolutely excellent conference from the first day the speakers have been fantastic informing the audience cutting edge information regarding the present and future state of pharmaceutical sciences and drug delivery.
