

## **WELCOME TO THE MARSH NETWORK**

The Group is designed to enable established businesses charities and start-ups, in the Romney Marsh, Kent and Sussex to meet through regular networking and other events and provides a platform for engagement via social media and the Marsh Network App.

Group members will be able to make new contacts, develop collaboration and business relationships, give, and receive support from others and grow their business or organisation.

All are welcome with no restrictions on attendance, no joining or membership fees, just a payment of £5 per meeting which covers donations to the charities we support, CARM and The Oliver Curd Trust and the costs of running the network.

The network has two Facebook pages with a combined membership of circa 500 and is currently operating 2 weekly online using Zoom with attendance at meetings usually over 30 people.

Bookings can be made at <https://marshnetwork.co.uk>

First timers can attend free by e mailing [terry@botfied.net](mailto:terry@botfied.net).

We look forward to seeing you!

**Terry Botfield**

**Business Mentor and Leader of The Marsh Network.**
