# ABOUT THE EVENT

**M**agnus group takes the pleasure to announce that after the prodigious success of four annual conferences we are back with the 5th Edition of Global Conference on Pharmaceuticals and Novel Drug Delivery Systems (Pharma 2022) scheduled during March 28-30, 2022 at Singapore.

PHARMA 2022 is scheduled in Hybrid Format with both onsite and virtual versions. We believe that our decision will enable broad participation.

The theme of the conference revolves around "Footprints of Next Generation Drug Delivery on Pharma Industry"

This strategic conference will emphasize majorly on the need for new drug delivery systems and its types. The congress will also provide light on the major advances in the field of pharmaceuticals and the hardships faced by the pharma industry during the global pandemic of COVID-19.

Pharma 2022 Conference is a multidisciplinary congress that aims to bring together people from all over the world to learn about Pharma Research and its advancements. It provides an opportunity to meet people working in the field of science and, thereby, it delights in providing an anteroom to meet the frontiers in the field of drug development, delivery and manufacture. The three-day global summit will attract attendees from all parts of globe and will bring you world's leading speakers discussing and disseminating their knowledge about pharmaceuticals.

The annual conference is the largest meeting of pharmaceutical and healthcare professionals.

We hope to see you at Singapore for PHARMA Conference 2022!!

# GLIMPSES OF PAST CONFERENCE

## PAST CONFERENCE TESTIMONIALS

► **El Hassane Larhrib, University of Huddersfield, UK**

I had a wonderful time at the PDDDS 2018 conference, and may have made some new friends/ collaborators as well!

► **Joe E. Springer, University of Kentucky, USA**

Many thanks. I certainly enjoyed the conference. Being in Rome is a special occasion and in wonderful weather. Again many thanks for the invitation.

► **Gerald H Tomkin, Beacon Hospital and Trinity College Dublin, Ireland**

Firstly, I would like to congratulate Magnus group about the amazing conference. I am planning to participate again in the next one in Paris.

► **Natassa Pippa, University of Athens, Greece**

It was a very fascinating conference and had a wonderful experience to share about research with professionals in the field

► **Nicole Hess, University of New England, Australia**

I can certainly declare that the keynote lectures and oral presentations were generally of an excellent standard and although covering a wide range of topics, in my opinion, they were all relevant to the discipline of drug delivery.

► **Pawel Brzuzan, University of Warmia and Mazury in Olsztyn, Poland**

It was an excellent conference and wonderful experience.

► **Mino R Caira, University of Cape Town, South Africa**

I really had a good time while in Rome. Thanks a lot.
